**Forward-Looking Statements**

*This news release contains "forward-looking statements" or "forward-looking information" (collectively referred to hereafter as "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements that address activities, events, or developments that the Company expects or anticipates will, or may, occur in the future, including, but not limited to, statements about the Company's ability to execute on its goals, the timing pertaining to these goals the potential demand for the Company's products, the timing and success of anticipated product launches and distribution of the Company's products, the Company's business prospects, future trends, plans, scalability and strategies, that the Company will achieve profitability in the next few years, the timing of the Company's implementation of NetSuite, and the Company's key growth priorities for 2023 . In some cases, forward looking statements are preceded by, followed by, or include words such as "may", "will," "would", "could", "should", "believes", "estimates", "projects", "potential", "expects", "plans", "anticipates", "continues", or the negative of those words or other similar or comparable words. In preparing the forward-looking statements in this news release, the Company has applied several material assumptions, including, but not limited to, the assumption that demand for the Company's product will be sustained or increase in accordance with management's projections, that the Company's internal research and analysis is indicative of broader market trends and the Company's anticipated future demand for its products, that changes in consumer preferences in the plant-based food industry will continue in accordance with the Company's expectations, that the Company's current business objectives can be achieved and that its other corporate activities will proceed as expected, and that general business and economic conditions will not change in a materially adverse manner. Although the management of the Company believes that the assumptions made and the expectations represented by such forward-looking statements are reasonable, there can be no assurance that any forward-looking statement herein will prove to be accurate. Forward-looking statements involve known and unknown risks, uncertainties, and other factors which may cause the actual results, performance, or achievements of the Company to be materially different from any future results, performance, or achievements expressed or implied by such forward-looking statements. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated, or intended. Risks and uncertainties applicable to the Company, as well as trends identified by the Company affecting its industry can be found in the Company's annual information form dated January 6, 2022 and the Company's continuous disclosure record available on SEDAR at [www.sedar.com](http://www.sedar.com). Such cautionary statements qualify all forward-looking statements made in this news release.*

*The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by applicable law.*
