## Planting Hope Announces Non-Brokered Private Placement

CHICAGO, IL and VANCOUVER, BC / ACCESSWIRE / January 19, 2024 – [The Planting Hope Company Inc.](#) (TSXV: MYLK) (OTCQB: MYLKF) (FRA: J94) (“Planting Hope” or the “Company”), a dynamic Foodtech innovation company dedicated to creating breakthrough delicious, sustainable food and beverage solutions through cutting-edge ingredient, formulation, and packaging technology, is pleased to announce a proposed non-brokered private placement financing of up to 40,000,000 subordinate voting share units (each a “Unit”) at a price per Unit of C\$0.10 for aggregate gross proceeds of up to \$4,000,000 CAD (~\$3,000,000 USD) (the “Offering”).

Each Unit shall consist of one subordinate voting share in the capital of the Company (each, a “SVS”) and one subordinate voting share purchase warrant (each, a “Warrant”). Each Warrant shall entitle the holder to acquire one additional subordinate voting share at an exercise price of C\$0.15 for a period of 24 months from the closing date of the Offering.

The gross proceeds raised from the sale of the units will be used to primarily support inventory purchases and business expansion, as well as general working capital purposes. The Company may pay finder’s fees on the Offering in accordance with applicable laws and the policies of the TSX Venture Exchange (the “TSXV”).

The securities issued pursuant to the Offering will be subject to a hold period of six months from the date of issuance thereof. Closing of the Offering is subject to certain conditions including, but not limited to, the receipt of all necessary approvals including the approval of the TSXV.

The Offering is expected to close on or about February 2, 2024, and may close in one or more tranches.

### About The Planting Hope Company Inc.

Planting Hope is reimagining and reinventing food today so that our planet can feed 10 billion people tomorrow. A Foodtech-driven company at the forefront of sustainable consumer food and beverage evolution, Planting Hope transforms nutrient-dense, widely cultivated crops into innovative, nutrient-rich products that reimagine pantry staples in the largest, fastest growing global food categories.

Our award-winning breakthrough brands, including Hope and Sesame® Sesamemilk, RightRice® High-Protein Veggie Rice, and Mozaics™ Real Veggie Chips, are not only disrupting global markets but also significantly reducing environmental footprints. Available across the US and Canada in grocery retailers (Whole Foods Market, Sprouts Farmers Markets), through foodservice operators (CAVA Mediterranean restaurants – NYSE: CAVA), and e-commerce and alternative retail channels (Amazon, QVC), our products blend culinary innovation with advanced technology, offering breakthrough products with wide moats. Our products are poised to disrupt global food and

beverage categories, make a positive impact on the world, and provide investors with valuable opportunities in the growing sustainable food market.

This is the food that Gen Z is demanding and that Gen Alpha will grow up with: this is the future of food.

"United States" and "U.S. person" have the respective meanings assigned in Regulation S under the U.S Securities Act.*

## Forward-Looking Statements

*This news release contains "forward-looking statements" or "forward-looking information" (collectively referred to hereafter as "forward-looking statements") within the meaning of applicable Canadian securities legislation. All statements that address activities, events, or developments that the Company expects or anticipates will, or may, occur in the future, including, but not limited to, statements relating to the Offering, the timing of completion of*

*the Offering, the amount raised/securities of the Company to be issued under the Offering, the payment of any finder's fees, regulatory approval of the Offering, the Company's ability to execute on its goals, the timing pertaining to these goals the potential demand for the Company's products, the timing and success of anticipated product launches and distribution of the Company's products, and the Company's business prospects, future trends, plans, scalability and strategies. In some cases, forward looking statements are preceded by, followed by, or include words such as "may", "will," "would", "could", "should", "believes", "estimates", "projects", "potential", "expects", "plans", "anticipates", "continues", or the negative of those words or other similar or comparable words. In preparing the forward-looking statements in this news release, the Company has applied several material assumptions, including, but not limited to, assumptions with respect to market support and demand for the Offering, regulatory approval for the Offering, that demand for the Company's product will be sustained or increase in accordance with management's projections, that the Company's internal research and analysis is indicative of broader market trends and the Company's anticipated future demand for its products, that changes in consumer preferences in the plant-based food industry will continue in accordance with the Company's expectations, that the Company's current business objectives can be achieved and that its other corporate activities will proceed as expected, and that general business and economic conditions will not change in a materially adverse manner. Although the management of the Company believes that the assumptions made and the expectations represented by such forward-looking statements are reasonable, there can be no assurance that any forward-looking statement herein will prove to be accurate. Forward-looking statements involve known and unknown risks, uncertainties, and other factors which may cause the actual results, performance, or achievements of the Company to be materially different from any future results, performance, or achievements expressed or implied by such forward-looking statements. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated, or intended. Risks and uncertainties applicable to the Company, as well as trends identified by the Company affecting its industry can be found in the Company's continuous disclosure filings available under the Company's issuer profile on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca). Such cautionary statements qualify all forward-looking statements made in this news release. The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by applicable law.*
